

MY RESUME

VICTOR TETTEH-GANOH AHUMAH

TEMA, GHANA +233242930173 KOFIGANOH@GMAIL.COM

PROFILE

A computer science student passionate about community building, programming, and technology. I am willing to learn at a fast pace to acquire and develop better skills to help solve and provide solutions to problems and also assist others in developing their skills too as well. I am into the front-end and backend development but more interested in backend development.
