VICTOR TETTEH-GANOH AHUMAH

TEMA, GHANA   +233242930173 KOFIGANOH@GMAIL.COM

PROFILE

An upcoming software engineer who is passionate about community building, programming, and technology. I am willing to learn at a fast pace to acquire and develop better skills to help solve and provide solutions to problems and also assist others in developing their skills too as well. I am into the front-end and backend development but more interested in backend development.

NATIONALITY

GHANAIAN

DATE / PLACE OF BIRTH

04TH JUNE, 1999
TEMA
